

# 2025 TEXAS REALTORS® LEADERSHIP PROGRAM

hosted by

## WEST TEXAS EDUCATION COALITION (WTEC)

The Texas REALTORS® Leadership Program (TRLP) is an eight (8) month program similar to “Leadership Abilene” (or Midland, San Angelo, etc.), designed to take students through the process of learning about leadership, team work, and association business. A powerful course aimed at developing and growing leaders for our industry and our boards/associations. It is full of guest speakers, team projects, and lots of FUN!

The TRLP mission is to cultivate leaders from all segments of the community by educating, developing and encouraging participants to undertake leadership roles, providing them the means and resources to begin their involvement, and instructing them on how to utilize the assets to effect change and make a difference in their respective professional, personal and civic areas of interest.

### Who should apply?

If you are interested in learning more about the real estate industry and your potential as a leader, then this program is designed for you!

The course is limited to 20 students. All applications will be reviewed and are subject to a selection process by a WTEC panel to ensure a diverse mix of students from the region.

### Costs

Program tuition is \$695.00. A \$350 Deposit is due upon submission of your application. The remainder of tuition is due February 14, 2025.
